I'm a Graphic designer studying at Loughborough University, passionate about integrating design and technology. Experienced in print, motion, UI/UX, and branding, with a focus on detail and cohesion, I've worked on immersive lighting and visuals for artists and crafted large scale marketing campaigns for over 20,000 students. I'm committed to transforming complex ideas into engaging stories that connect.

Experience

July 2026 - August 2026 (Incoming)

Graphic Design Intern

Raptor Marketing

Secured a competitive agency role creating social assets, campaign mock-ups, and pitch decks for global culture-led brands like PepsiCo and Tinder.

Partnering with creative and strategy teams to translate Gen Z and student culture trends into visual campaign materials.

Nov 2025 - Now

Graphic Designer

Loughborough Students Union

Created social media stories and posts and other touchpoints for 25k followers.

Created engaging digital and print designs for campaigns, events, and student initiatives with quick turnaround times.

Assisted in planning and delivering marketing campaigns across social, digital, and print.

Sept 2024 - Now

Technical Team Leader

Loughborough Students Union

Managed and trained a team of 20 members. Budgeted, planned and implemented £20k in infrastructure projects.

Created dynamic, immersive and creative lighting setups for a variety of artists including Sigala and Rudimental.
